

APRIL 2026

Riceville Community School District

Breakfast & Lunch Menu

All meals are served with a choice of Fat Free or 1% white Milk. Chocolate Milk will be served at breakfast and lunch when nutritionally able to. Reduced sugar cereal is still a second option for students instead of the main at breakfast time. Highschool meals will continue to have bigger portions at lunch to meet their nutritional requirements. All menus are subject to change. Vegetable and fruit bar are offered daily and are based on availability.
